

As a resident of Newport News, K-LOVE provides a daily service to me on 90.7FM. I finically support the station and as a resident of the community benefit from the daily broadcasting. In addition, the effect on the community if K-LOVE was displaced by LPFM is uncertain. What is certain is that daily tons people would miss the word of God. It is in the interest of the public to allow K-LOVE to remain on its current FM station providing the service and encouragement that it does. Please don't take this away from us.
